DEFINITION & DETAILS

Geoffrey Pfister joined the Hawkesbury Camera Club many years ago and became a keen and enthusiastic member. He greatly bolstered the membership and transformed the club. Passionate about all things photography - Geoff particularly enjoyed taking pictures of people. Sadly, Geoff passed away in 2011 after contracting an incurable illness. His memory lives on in the Camera Club, through the perpetual Geoff Pfister Portrait Award. The club would like to display the winner and some selected portraits on the club's website at <http://www.hawkesburycameraclub.com.au> If your subject is not known to you, it may be worthwhile obtaining a model release form signed by the subject you are photographing to ensure you have authorisation to use their image online.
