

Competition Brief: CHILDREN'S WARD SELECTION NIGHT Wednesday 6 November 2019

THEME

The theme for this competition is **CHILDREN'S WARD SELECTION NIGHT**

JUDGE

Images are selected by judges (local primary school students) invited from various local schools.

BACKGROUND INFO

25 selected photos from the night will be displayed in the local Hawkesbury District Hospital - Children's Ward in 2020 for 12 months. Selected images will be printed by the Club.

DEFINITION

The subject is open. Images must be suitable for children to view (i.e. 0 to 13 years)

Judges on the night will be a group of local primary school children. Members should approach this comp differently. The judges do not care about the technicality, rules of thirds, composition, contrast, cropping etc. The best way to approach this photo selection evening is to put yourself in the mind of a primary age child, what would appeal to them? These images should cheer up kids that may be in hospital, sick or recuperating. What would cheer them up?

Electronic files **must be** submitted with your entries. 'HIGH RESOLUTION' IMAGES must be supplied on a USB labelled with your name.

Please also bear in mind that selected photos will be donated to the hospital. If you do not want your image (if selected) being displayed in the hospital – do not enter this competition. If you are photographing people, a release form is required. Photographer's Model Release info at <http://photographerfinder.com.au/do-you-need-a-model-release.html>

CATEGORIES

There is only 1 category (combined A and B Grade) for this competition. You may enter up to 4 prints (no digital) colour or monochrome - image size minimum A4 and maximum A3, see requirements. NO SQUARE FORMATS.

REQUIREMENTS

High res digital copies should also be submitted on the night and conform to our normal guidelines for naming images. Low res images are not suitable. Only financial members can enter.
